Celebrating 26 Years of Citroen 2CV Racing

2015 will be the 26th year of Citroen 2CV racing in the UK, making it one of the UK's longest running one-make Championships.

The 2CVParts.com Championship season features four double-header meetings; at Oulton Park, Brands Hatch Indy, Cadwell Park and Croft. Each meeting will have two 20 minute races. At the Croft meeting, there will also be an Enduro, to help teams prepare for the 24 hour race.

Over the weekend of August 21-23, the 25th running of the 2CV 24 Hour race will be staged at the amazing Anglesey circuit. It is the longest running 24 hour motor race in the UK by a big margin.

With testing on Friday, qualifying on Friday evening then racing twice around the clock through Saturday night, it's a very busy weekend for all the teams, crews, drivers, marshals, officials and spectators.

If you are a racer, you can organise and run your own 2CV in any or all of the races. It is also possible to pay for a seat in a car being run by a team. Take a look at www.2cvracing.org.uk.

The 24 Hour is a great weekend for petrol heads and families. Anglesey circuit welcomes car clubs holding rallies and get-togethers over the three days. Plenty of space for free camping around the loop of the race track which is not used by the race. Weekend Pass only £15, kids free under 16.

And if you fancy taking your own road car onto the race circuit, you have two opportunities on the Saturday morning, before the start of the 24 Hour race.

If you just want to drive round slowly to view the circuit and the scenery, then sign on, donate £5 to Air Ambulance and jump in the car, as many of you as there are seats, and join the **Drive Around** for two laps.

If you want to drive your car faster, then the **Track Sessions** are for you. Bring along any crash helmet and full cover shirt and trousers, sign on, show your road licence, pay around £15 for a 20 minute session and away you go. Provided they also have any crash helmet, you can take a passenger. A limited number of helmets are available for hire.
