### **Sporting Regulations**

Feedback to be solicited from the membership regarding the format of the sprint rounds in 2021 and the preferred format for 2022, with specific reference to whether the race format can be adjusted, for example by removing the need for a green flag lap to increase race time, and the qualifying sessions, the options being:

- Revert to 2 qualifying sessions
- Continue with one qualifying session split into 2 as is currently in place
- Continue with 1 qualifying session with a clearly defined break between the 2 halves, the details of which would then be negotiated with BARC/TSL
